Eric,

This is a reminder that per our bylaws you are scheduled to establish a nominating committee in the month of October.

Jayme, Alan, Eric and Augie are all up for re-election and may not serve on the nominating committee.

There is no minimum number of individuals that need to be on the committee. Since this is an appointed committee, it does not require that it be an agenda item.

Thank you for your kind attention.

Best regards,

--

Lorena Parker
Executive Director
